

**Faculty Positions in
Department of Environmental Engineering
National Cheng Kung University,
Tainan, Taiwan**

The Department of Environmental Engineering, National Cheng Kung University, invites applications of candidates for one to two tenure-track faculty positions at the assistant, associate, or full professor level, depending on the qualifications, with the expected appointment beginning on August 1st, 2022 or February 1st, 2023. Both young and established engineers/scientists with an earned Ph.D. degree in environmental or related disciplines are encouraged to apply. The selected candidates will lead a team of MS and Ph.D. students in research in their fields of interest and teach undergraduate and graduate-level courses with special emphases in solid waste management and recycling, air pollution control and air quality management, climate change and environmental sustainability, and resource recycling and reuse. The accepted applicants will be eligible to apply for the "*National Cheng Kung University Implementation Directions Regarding the Merit Pay and Research Reward Program for Faculty Members and Research Fellows*" and additionally, the "*Alumni and Friends of Class 1980 Young Scholars Award*". The latter will be awarded by the Department of Environmental Engineering with a maximum amount of NT\$30,000 per month for 3 years.

Application materials should be submitted via mail or email to the department address listed below no later than July 15th, 2022. The package must contain a scanned Ph.D. certificate, a cover letter, a vitae with a list of publications, five representative publications, a statement of teaching interests and the tentative titles of courses to be offered, a statement of the applicant's research vision, and three letters of recommendation. The Ph.D. diploma and transcripts must be authenticated by the Taiwan Embassy if the candidate holds a Ph.D degree conferred by an institute outside Taiwan. Send the application and supporting documents to: Associ. Prof. Chih-Hua Chang, Chairman, Department of Environmental Engineering, National Cheng Kung University, 1 University Road, Tainan 70701, Taiwan. Contact phone: (+886)-6-2757575 Ext. 65806; E-mail: meichih@mail.ncku.edu.tw and/or chihhua@mail.ncku.edu.tw
