

National Cheng Kung University Department of Environmental Engineering Regulations for the Administration of Donated Scholarships

Approved at the 234th Department Affairs Meeting on September 7, 2005

Approved at the 237th Department Affairs Meeting on December 7, 2005

Approved at the 268th Department Affairs Meeting on September 3, 2008

Article 1

In accordance with Article 4 of the “National Cheng Kung University Department of Environmental Engineering Regulations for Award and Scholarship Donations,” these regulations are hereby established.

Article 2

These regulations apply to scholarships donated to the Department that do not explicitly specify quotas, application procedures, selection criteria, or awarding methods.

Article 3

The distribution of various scholarships under these regulations shall follow the sequence below:

1. If the donor (or donating unit) specifies the recipients and amounts, such designations shall be followed.
2. If the donor (or donating unit) does not specify a distribution method, the allocation principle shall be based on a 2:1 ratio between undergraduate and graduate students.

Article 4

The number of recipients, allocation of amounts, selection criteria, and announcement deadlines for each scholarship shall be submitted to the Academic Committee for discussion before the start of each academic year, to confirm the principles for scholarship allocation for that year.

Article 5

The Academic Committee of the Department shall complete the selection process for all scholarships by mid-October each year and announce the list of awardees before the end of October.

Article 6

These regulations shall be implemented upon approval by the Department Affairs Meeting. The same procedure shall apply to any amendments.
